TESTIMONIALS

MARCO HUERTA

LOGISTICS MANAGER / ELECTROLUX CHILE

I had the opportunity to work directly with Hernan. He is a professional, attentive to the needs of internal clients and highly qualified to develop and improve tools that allow the optimization of the team's work. I can highlight his commitment to the Company and motivation for achievement in addition to his positive contribution to the work environment.

DANIEL VILLAR

CLASSMATE / UNIVERSIDAD DE LAS AMÉRICAS

Hernan is very proactive and has management skills.

FABIÁN GONZÁLEZ

PROFESSOR SOFTWARE ARCHITECTURE / UNIVERSIDAD DE LAS AMÉRICAS

I have known Hernán for years and I consider him to be very neat and responsible in his work.
